

As a member of the *VP Wine Club* you will enjoy a unique variety of boutique wines from California. Each wine is hand-selected to offer you the experience of tasting wines typically available only from the winery. With each wine, you will receive tasting notes and information about the wine and winery to enhance your wine knowledge. There are now more than 2600 wineries in California and most are family owned and multi-generational.

Two wines (typically one red and one white) will be selected for your California boutique wine experience every other month: *December, February, April, June, August, & October*, with an optional shipment in November (for your Thanksgiving celebration!). Each wine shipment will be approximately \$50 total, including tax. (Shipping cost is additional.)

VP Wine Club Members are entitled to a 10% in-house sipping discount.
